Description

Law office Cakarovska is one of the leading law offices in Macedonia, which exists more than 25 years and has its seat in Skopje. Law office Cakarovska offers to the clients a complete legal service in different areas of law, particularly in the interpretation and application of laws falling within the area of business law and company law. Our services are ranging from technical administrative work to complex contracts and judicial proceedings. Our commitment to the promotion and development of legal services allowed us to become a recognizable brand, both in the country and abroad.
